

Brady B-866 Toughwash Safety Signs for Harsh Wash Down Environments

TDS No. B-866
 Effective Date: 03/26/2015

Description:

Brady B-866 Toughwash™ Aluminum Safety Sign is a durable aluminum sign panel with protected graphics for use in the Food and Beverage Processing Industry. Panels are available in square or round-cornered with optional punched holes for application to rigid surfaces.

Details:

Use:

Brady B-866 signs are designed for use in Food and Beverage Processing industrial applications. Common uses include safety signs, utility signs, information signs and equipment warning signs.

Special Properties:

Durable sign construction is tough against harsh washdown environments up to 1000 PSI and 175° F (80° C) from distances of 6 inches and greater. Individual performance will vary based on application location and specific washdown conditions and procedures.

Material Construction:

0.035 in. coil coated aluminum

Standard Material Colors:

White (can be printed with custom background colors to conform to OSHA and ANSI Standards)

Standard Legend Colors:

Black, blue, green, magenta, orange, red, yellow, brown, and purple

Thickness (ASTM D 1593):

Total: 0.035 in. (0.89 mm)

Abrasion Resistance (Method 5306 of U.S. Federal Test Method Std. No. 191A):

CS-10 wheels, 1000 g wts.
 Legend withstands up to 650 cycles.

Service Temperature:

-40°F to 230°F (-40°C to 110°C)

Chemical Resistance:

Reagent	Type	Condition	Substrate Performance	Print Performance
Enforce™ LP	chlorinated alkaline cleaner	50°C	NE	NE
HD PL-10™ Plus	inorganic acid cleaner	RT	NE	NE
Heavy Duty Acid LC-30	strong acid cleaner	70°C	NE	NE
Soil Off™ II	alkaline/near neutral cleaner	50°C	NE	NE
Madisan 75	quarternary amine sanitizer	RT	NE	NE
Vortexx™	peroxy acid/organic acid sanitizer	50°C	NE	NE
XY-12®	sodium hypochlorite sanitizer	RT	NE	NE

NE = No Effect
 NT = Not Tested
 F = Failed (text deterioration or sample delamination)

Chemical Resistance testing in the above chemicals was performed by completing 10 cycles of 10 minute dips with 20 minute rest periods between cycles. After the 10th cycle sample text was rubbed with a cotton-tip swab.

Shelf Life

Product testing, customer feedback, and history of similar products, support a customer performance expectation of at least **two years from the date of receipt** for this product as long as this product is stored in its original packaging in an environment *below 80 degrees F (27°C) and 60% RH* . We are confident that our product will perform well beyond this time frame. However, it remains the responsibility of the user to assess the risk of using such product. We encourage customers to develop functional testing protocols that will qualify a product's fitness for use, in their actual applications.

Performance Expectations

The performance of ToughWash signs, tags and labels may vary based upon the specific environment it is subjected to (including variation in chemicals, water pressure, water temperature, and abrasive materials used during the wash down process). To ensure the performance meets user's requirements, ToughWash signs, tags and labels should be tested in user's specific environment with consistent monitoring. Please visit BradyID.com/food to order test samples and view more detailed product technical specifications.

WARRANTY

Brady products are sold with the understanding that the buyers will test them in actual use and determine for themselves their adaptability to their intended uses. Brady warrants to the buyers that its products are free from defects in material and workmanship, but limits its obligation under this warranty to replacement of the product shown to Brady's satisfaction to have been defective at the time Brady sold it. This warranty does not extend to any persons obtaining the product from the buyers. This warranty is in lieu of any other warranty, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, and of any other obligations or liability on Brady's part. Under no circumstances will Brady be liable for any loss, damage, expense, or consequential damages of any kind arising in connection with the use, or inability to use, Brady's products.
